

Detailed Single Year Tables
Category of Change: Retirement Age

Proposed Provision: Starting in 2016, allow workers to choose whether to have their payroll tax rate reduced by 2 percentage points. For each calendar year that a worker chooses to have their payroll tax reduced, their normal retirement age (NRA) increases 1 month. We assume 2/3 of workers each year will choose this payroll reduction. The General Fund of the Treasury reimburses the OASI and DI Trust Funds for the reduction in payroll tax revenue.

Proposal					Change from Present Law			
Expressed as a percentage of present-law taxable payroll					Expressed as a percentage of present-law taxable payroll
