

Detailed Single Year Tables
Category of Change: Cost-of-Living Adjustment

Proposed Provision: A4. Starting December 2025, compute the COLA using a chained version of the consumer price index for wage and salary workers (CPI-W). We estimate this new computation will reduce the annual COLA by about 0.3 percentage point, on average. The new COLA will not apply to DI benefits. It will apply to OASI benefits, except for those of formerly disabled-workers who converted to retired-worker status.

Proposal					Change from Current Law		
Expressed as a percentage of current-law taxable payroll					Expressed as a percentage of current-law taxable payroll
