

**Detailed Single Year Tables**

**Category of Change: Level of Monthly Benefits**

**Proposed Provision: B7.9. Beginning for newly eligible retired workers and spouses in 2029, all claimants who are married would receive a specified joint-and-survivor annuity benefit (i.e., surviving spouses would receive 75 percent of the decedents' benefits, in addition to their own) that would be payable if both were still alive. Initial benefits would be actuarially adjusted to keep the expected value of benefits equivalent to what would otherwise be current law.**
