The minimum monthly earnings for contribution purposes are 220,000 won.

The maximum monthly earnings for contribution purposes are 3,600,000 won.

Self-employed person: Self-employed persons, including farmers and fishermen, and nonemployed persons contribute 9% of monthly earnings, according to 45 levels of standard monthly earnings.

The minimum monthly earnings for contribution purposes are 220,000 won.

The maximum monthly earnings for contribution purposes are 3,600,000 won.

Employer: 4.5% of the standard monthly payroll before tax, according to 45 levels of standard monthly earnings.

The minimum monthly earnings for contribution purposes are 220,000 won.

The maximum monthly earnings for contribution purposes are 3,600,000 won.

Government: Part of the cost of administration; an amount equal to 1/2 of the monthly contribution per person for farmers and fishermen with average monthly earnings ranging

from 220,000 won to 440,000 won; a flat-rate contribution of 21,600 won per person for farmers and fishermen with average monthly earnings greater than 440,000 won.

Qualifying Conditions

Old-age pension: Age 60 (to be raised gradually to age 65 by 2033) with at least 20 years of coverage. If younger than age 65, taxable monthly income or earnings from gainful activity must not exceed 1,566,567 won.

Reduced old-age pension: Aged 60 or older with between 10 and 19 years of coverage and monthly income or earnings from gainful activity not exceeding 1,566,567 won. There is no retirement test if aged 65 or older.

Active old-age pension: Age 60 with at least 10 years of coverage and in gainful activity with monthly taxable income exceeding 1,566,567 won.

Early pension: Age 55 with at least 10 years of coverage and taxable monthly income or earnings from gainful activity not exceeding 1,566,567 won.

Dependent's supplement: Paid for eligible dependents, including the spouse, children younger than age 18 or disabled (assessed with a first- or second-degree disability), and parents (including the spouse's parents) aged 60 or older or disabled (assessed with a first- or second-degree disability).

Lump-sum refund (old-age): Paid if the insured is aged 60, ceases gainful activity, and has less than 10 years of coverage; at any age if the insured emigrates from Korea permanently or loses Korean nationality; under bilateral agreement to insured foreigners who leave Korea.

Disability pension: Must be assessed with a first-degree (total loss of work capacity and requiring constant attendance), second-degree (severe loss of work capacity), or third-degree disability (less severe loss of work capacity) as the result of a disease or injury that began while insured. The insured must have paid 2/3 of scheduled contributions on time.

The National Pension Corporation assesses the degree of disability.

At the request of the beneficiary, the National Pension Corporation may reassess the degree of disability and adjust the benefit amount.

Dependent's supplement: Paid for eligible dependents, including the spouse, children younger than age 18 or disabled (assessed with a first- or second-degree disability), and parents (including the spouse's parents) aged 60 or older or disabled (assessed with a first- or second-degree disability).

Lump-sum disability benefit: Paid for a fourth-degree disability (partial loss of work capacity). The insured must have paid 2/3 of scheduled contributions on time.

Survivor pension: Payable for the death of an insured person (the deceased must have paid 2/3 of scheduled contributions on time), an old-age pensioner, or a disability pensioner with a first- or second-degree disability.

Eligible survivors include a widow, a widower aged 60 or older (at any age with a first- or second-degree disability), parents and grandparents (including the spouse's parents or grandparents) aged 60 or older or disabled and assessed with a first- or second-degree disability, and children and grandchildren younger than age 18 (any age if assessed with a first- or second-degree disability). The pension is paid to eligible survivors in the following order of priority: spouse, children, parents, grandchildren, and grandparents.

Dependent's supplement: Paid for eligible dependents, including children younger than age 18 or disabled (assessed with a first- or second-degree disability) and parents (including the spouse's parents) aged 60 or older or disabled (assessed with a first- or second-degree disability).

Lump-sum refund (survivors): Paid on the death of an insured or formerly insured person if the qualifying conditions for the survivor pension are not satisfied.

Lump-sum death benefit: Paid to dependent survivors (direct blood-relatives including cousins) in the absence of eligible survivors for the survivor pension or lump-sum refund.

Old-Age Benefits

Old-age pension: With 20 years of coverage, the basic monthly pension amount (BPA) is equal to 1.8 times the sum of the average indexed national monthly wage in the 3 years immediately before the year in which the pension is first payable and the insured's average monthly wage over the insured's total contribution period.

Pension increment: An increment is paid for each year of coverage exceeding 20 years.

Reduced old-age pension: The pension ranges from 47.5% to 92.5% of the monthly BPA if the insured has at least 10 years but less than 20 years of coverage.

Active old-age pension: The pension is based on the insured's BPA, adjusted according to the total number of years of coverage and the insured's age.

Early pension: The pension is based on the insured's BPA, adjusted according to the total number of years of coverage and the insured's age when the pension is first paid.

Dependent's supplement: 195,910 won a year for a spouse and 130,600 won a year per child or parent is paid to all pensioners, except those receiving the active old-age pension.

Benefit adjustment: Benefits are adjusted annually according to changes in the consumer price index for the previous year.

Lump-sum refund (old-age): Equal to the insured's total contributions (including any employer contributions) plus interest calculated at the basic bank rate on the date of the refund.

Permanent Disability Benefits

Disability pension: The pension is calculated according to the insured's basic monthly pension amount (BPA) and assessed degree of disability.

The BPA is equal to 1.8 times the sum of the average indexed national monthly wage in the 3 years immediately before the year in which the pension is first payable and the insured's average monthly wage over the insured's total contribution period. An increment is paid for years of coverage exceeding 20 years.

Total disability: 100% of the insured's BPA is paid for a first-degree disability (total loss of work capacity and requiring constant attendance).

Moderate disability: 80% of the insured's BPA is paid for an assessed second-degree disability (severe loss of work capacity); 60% for an assessed third-degree disability (less severe loss of work capacity).

Dependent's supplement: 195,910 won a year for a spouse and 130,600 won a year per child or parent is paid to disabled insured persons with an assessed first-, second-, or third-degree disability.

Benefit adjustment: Benefits are adjusted annually according to changes in the consumer price index for the previous year.

Lump-sum disability benefit: 225% of the BPA is paid to insured persons with a fourth-degree disability (partial loss in work capacity).

Survivor Benefits

Survivor pension: If the deceased had at least 20 years of contributions, the pension is equal to 60% of the deceased's BPA; between 10 and 19 years of contributions, 50%; less than 10 years of contributions, 40%.

The BPA is equal to 1.8 times the sum of the average indexed national monthly wage in the 3 years immediately before the year in which the pension is first payable and the insured's average monthly wage over the insured's total contribution period. An increment is paid for years of insurance coverage exceeding 20 years.

Dependent's supplement: 130,600 won a year is paid per child or parent.

Benefit adjustment: Benefits are adjusted annually according to changes in the consumer price index for the previous year.

Lump-sum refund (survivors): Equal to the deceased's total contributions (including employer contributions) plus

interest calculated at the basic bank rate on the date of the refund.

Lump-sum death benefit: Equal to the deceased's total contributions (including employer contributions) plus interest based on the average annual bank interest rate.

The maximum lump-sum death benefit is four times the deceased's last covered monthly wage, or the average covered monthly wage for the entire insured period, whichever is higher.
