

# Get Your Benefit Verification Online with *my* Social Security

Social Security is with you throughout life's journey, providing tools and information to help secure today and tomorrow for you and your family. Our online services allow you to do business with us from the comfort of your preferred location at your convenience. You can get up-to-date information online without sitting in traffic or waiting in lines or on the phone.

There may come a time, like when applying for a mortgage, loan, or housing, when you need proof of your retirement, disability, Supplemental Security Income (SSI), or Medicare benefits. We can provide you with a benefit verification letter, sometimes called a "budget letter," a "benefits letter," a "proof of income letter," or a "proof of award letter." You may also need proof that you have never received Social Security benefits or SSI or proof that you have applied for benefits.
