

# Learn what you can do with a *my* Social Security account

Securing today  
and tomorrow

## If you do not receive benefits, you can:

- Request a replacement Social Security card (if you meet certain requirements).
- Check the status of your application or appeal.
- Get your *Social Security Statement*, to review:
  - Estimates of your future benefits.
  - The estimated Social Security and Medicare taxes that you have paid.
- Check your earnings to verify the amounts that we posted are correct.
- Get personalized retirement benefit estimates based on the date or age you want to start receiving benefits.
- Get estimates for spouse's benefits.
- Get a Benefit Verification Letter stating that:
  - You never received Social Security benefits, Supplemental Security Income (SSI), or Medicare.
  - You received benefits in the past, but do not currently receive them.
  - You applied for benefits, but have not received an answer yet.

## If you receive benefits or have Medicare, you can:

- Request a replacement Social Security card (if you meet certain requirements).
- Report your wages if you work and receive Social Security Disability Insurance (SSDI) benefits or Supplemental Security Income (SSI) payments.
- Get your Benefit Verification Letter.
- Check your benefit and payment information and your earnings record.
- Change your address and phone number.
- Start or change direct deposit of your benefit payment.
- Request a replacement Medicare card.
- Get a replacement SSA-1099 or SSA-1042S for tax season.
- Opt out of mailed notices that are available online.

## A *my* Social Security

account is where you go to check your Social Security information and conduct business with us.

---

To establish an account, you must:

- Have a valid email address.
  - Be at least 18 years of age.
  - Have a Social Security number.
  - Have a U.S. mailing address.
- 

## Our commitment to protect you
