Collection and Use of Personal Information

Sections 204 and 1631 of the Social Security Act, as amended, allow the Social Security Administration (SSA) to collect your information, which SSA will use to assist you with Direct Express. Providing the information is voluntary, but not providing all or part of the information may prevent us from processing your Direct Express inquiries. As law permits, we may use and share the information you submit, including with other Federal agencies, contractors, and others, as outlined in the routine uses within System of Records Notice (SORN) 60-0231, available at www.ssa.gov/privacy. The information you submit may also be used in computer matching programs to establish or verify eligibility for Federal benefit programs and to recoup debts under these programs.
